

A27 – Hammerpot Hill

What's happening?

I am writing to advise that A-one+, on behalf of Highways England will be carrying out resurfacing to address defects to the east and west bound carriageways.

Traffic management

In order to carry out these works as efficiently and as safely as possible, work will be carried out under full overnight closures from 8pm to 6am on Tuesday 10 September 2019 and Wednesday 11 September 2019. Daytime lane closures remain whilst works are completed. These works are weather dependent.

Series of full closures on main carriageway	Dates and timings
Full Eastbound closure between Crossbush Roundabout and Long Furlong Interchange	Tuesday 10 September 2019 8pm to 6am
Full Westbound closure between Long furlong Interchange and Crossbush Roundabout	Wednesday 11 September 2019 8pm to 6am

Diversions: Clearly signed diversions will be in place during all closures utilising local routes, suitable for all types of vehicles when full closures of the carriageway are in place.

Eastbound Diversion: Traffic travelling eastbound on the A27 will be directed onto the A284 at Crossbush Roundabout, traveling south to Wick Roundabout. Take the first left onto the A259, at the fourth roundabout turn left to join the A280. Follow the A280 to re-join the A27 at Long Furlong Interchange where they can continue their journey eastbound.

Westbound Diversion: Follow the above in reverse.

Access for emergency vehicles will be provided at all times.

Contact us

If you have any questions or if you'd like to know about the work taking place, please do not hesitate to contact us.

Although these works have been carefully programmed they are subject to change. If you would like to be kept up to date with any changes to the programme please send your email address to area4enquiries@aone.uk.com

Every effort has been made to ensure disruption to nearby residents is kept to a minimum, but there will inevitably be some noise and disruption generated by these works and for that we apologise in advance.

Our road workers frequently work in situations which are both unpleasant and dangerous and we would kindly ask that you treat them with the respect you would wish to be treated with while they are working in your area. If you do have any issues with the work taking place, our road workers will always try to help you if they can.
