

May 2019

Dear Sir/Madam

## Safety Barrier Upgrades

### What we're doing

Safety barrier upgrade works will soon start along **A24 Ashington (Southbound)**. The works are expected to commence **Wednesday 5<sup>th</sup> June 2019** to **Saturday 15<sup>th</sup> June 2019** between **19:00pm** and **06:00am**.

The works will consist of replacing the old barriers with new ones.

For further updates or amends to our programme, please visit our web page:

[www.westsussex.gov.uk/travelinfo](http://www.westsussex.gov.uk/travelinfo)

### How will this affect you?

Traffic management will be in operation; this will consist of a **night lane closure**. Access will be provided to residents within closed areas, although there may be a slight delay in getting through. Pedestrian access should not be affected providing there are footpaths to use; if not the onsite team will assist with the safety of pedestrian access.

Please note that these works are subject to changes due to weather conditions, equipment breakdown or emergency work taking priority.

### Further information

Thank you for your cooperation and patience. For further information, please visit our website at the top of this letter or liaise with the onsite team, as they might be able to answer your query quickly. For any concerns you might have, you can email us at

[www.westsussex.gov.uk/roadpavementenquiry](http://www.westsussex.gov.uk/roadpavementenquiry) or call on 01243 642105 (phone lines are open weekdays between 8am-6pm).
