

October 2018

Working in partnership

Dear Sir/Madam

Essential maintenance works, Carriageway and Footway Reconstruction

What we're doing

We will be carrying out repairs to the carriageway and footway on the south east corner of the crossroads at **Adversane Lane, Adversane**. This will include replacement of the damaged kerbs and reconstruction of the damaged carriageway and footway surfaces.

For further updates or amends to our programme, please visit our web page:

www.westsussex.gov.uk/travelinfo

How will this affect you?

Work is expected to take place from **Monday 15th October to Friday 2nd November**, between the hours of **07:00 to 18:00**. Please note that this is subject to changes due to weather conditions, equipment breakdown or emergency work taking priority.

Traffic management will be in operation throughout the works; this will consist of **traffic signals and temporary road closures**. When road closures are in operation, signs will be placed along the alternative route to direct drivers. The signed diversion route will be to the north via Coolham, Coneyhurst and Billingshurst.

Please plan your journey in advance, and look out for important safety signs along your route. If you have any concerns regarding access during these works please ask the onsite staff, your safety is our priority.

Further information

Thank you for your cooperation and patience. For further information, please visit our website at the top of this letter or liaise with the onsite team, as they might be able to answer your query quickly. For any concerns you might have, you can email us at www.westsussex.gov.uk/roadpavementenquiry or call on 01243 642105 (phone lines are open weekdays between 8am – 6pm).
