

May 2019

Working in partnership

Dear Sir/Madam

Drainage Works

What we're doing

Drainage works will soon start along **College Lane, Chichester**.

The work will involve digging and replacing the road drainage pipes, to reduce surface water collecting on the roads.

For further updates or amends to our programme, please visit our web page:
www.westsussex.gov.uk/travelinfo

How will this affect you?

Work is expected to take place from **Tuesday 28th May 2019** to **Saturday 8th June 2019** between the hours of **07:30am** and **17:00pm**.

Temporary traffic management in the form of a **road closure** will be in operation to protect the public and our workforce. **Residents will be unable to park on the road when our surfacing operations are being carried out.** Access to properties and premises within the closed area will be maintained where possible. There may be periods when access will not be immediately possible to prevent damage to vehicles or unreasonable interruption to the works being carried out. Pedestrian access will be maintained and managed at all times.

Please note that these works are subject to changes due to weather conditions, equipment breakdown or emergency work taking priority.

Further information

Thank you for your cooperation and patience. For further information, please visit our website at the top of this letter or liaise with the onsite team, as they might be able to answer your query quickly.

For any concerns you might have, you can email us at www.westsussex.gov.uk/roadpavementenquiry or call on 01243 642105 (phone lines are open weekdays between 8am – 6pm).
