

Dear Sir/Madam

January 2019

Structural Patching Works

What we're doing

Road patching works will soon start along **Lockgate Road, Sidlesham**. The works will involve repairing the road surface with new materials, where the road surface has deteriorated significantly.

Please follow the clearly marked diversion route, (yellow signs with black direction arrows).

For further updates or amends to our programme, please visit our web page: www.westsussex.gov.uk/travelinfo

How will this affect you?

Work is expected to take place on the **Tuesday 12th February 2019** and **Wednesday 13th February 2019**, between the hours of **09:30am to 16:00pm**.

Please note that this is subject to changes due to weather conditions, equipment breakdown or emergency work taking priority.

Traffic management will be in operation; this will consist of a **road closure**. Access will be provided to residents within closed areas, although there may be a slight delay in getting through. Please plan your journey in advance, and look out for important safety signs along your route. If you have any concerns regarding access during these works please ask the onsite staff, your safety is our priority.

Further information

Thank you for your cooperation and patience whilst these works are carried out. For further information, please visit our website at the top of this letter or liaise with the onsite team, as they might be able to answer your query quickly. For any concerns you might have, you can email us online at www.westsussex.gov.uk/roadpavementenquiry or call on 01243 642105 (phone lines are open weekdays between 8am – 6pm).
