

May 2019

Dear Sir/Madam

Carriageway Resurfacing

What we're doing

Carriageway patching works will soon start along **London Road, Coldwaltham**. The works will involve repairing the road surface with new materials, as the road surface has deteriorated significantly.

Please follow the clearly marked diversion route, (yellow signs with black direction arrows).

For further updates or amends to our programme, please visit our web page: www.westsussex.gov.uk/travelinfo

How will this affect you?

Work is expected to take place from **Monday 13th May 2019** to **Tuesday 14th May 2019** between **19:00pm** to **06:00am**.

Temporary traffic management in the form of a night **road closure** will be in operation to protect the public and our workforce. **Residents will be unable to park on the road when our surfacing operations are being carried out.** Access to properties and premises within the closed area will be maintained where possible. There may be periods when access will not be immediately possible to prevent damage to vehicles or unreasonable interruption to the works being carried out. Pedestrian access will be maintained and managed at all times.

Please note that these works are subject to changes due to weather conditions, equipment breakdown or emergency work taking priority.

Further information

Thank you for your cooperation and patience whilst these works are carried out. For further information, please visit our website at the top of this letter or liaise with the onsite team, as they might be able to answer your query quickly. For any concerns you might have, you can email us online at www.westsussex.gov.uk/roadpavementenquiry or call on 01243 642105 (phone lines are open weekdays between 8am – 6pm).
