

May 2019

Dear Sir/Madam

Carriageway Patching Works

What we're doing

Carriageway patching works will soon start along **Selsey Road, Hunston**. The works will involve repairing the road surface with new materials, where the road surface has deteriorated significantly.

Please follow the clearly marked diversion route, (yellow signs with black direction arrows).

For further updates or amends to our programme, please visit our web page: www.westsussex.gov.uk/travelinfo

How will this affect you?

The road works are expected to take place on **Monday 17th June 2019** between **07:30am** and **18:00pm**.

Temporary traffic management in the form of 3 way lights will be in operation to protect the public and our workforce. Access to properties and premises within the closed area will be maintained where possible. There may be periods when access will not be immediately possible to prevent damage to vehicles or unreasonable interruption to the works being carried out. Pedestrian access will be maintained and managed at all times.

Please note that these works are subject to changes due to weather conditions, equipment breakdown or emergency work taking priority.

Further information

Thank you for your cooperation and patience whilst these works are carried out. For further information, please visit our website at the top of this letter or liaise with the onsite team, as they might be able to answer your query quickly. For any concerns you might have, you can email us online at www.westsussex.gov.uk/roadpavementenquiry or call on 01243 642105 (phone lines are open weekdays between 8am – 6pm).
